Maxi-Legematerial

Spielidee

Dusyma-Ideenwerkstatt

Inhalt

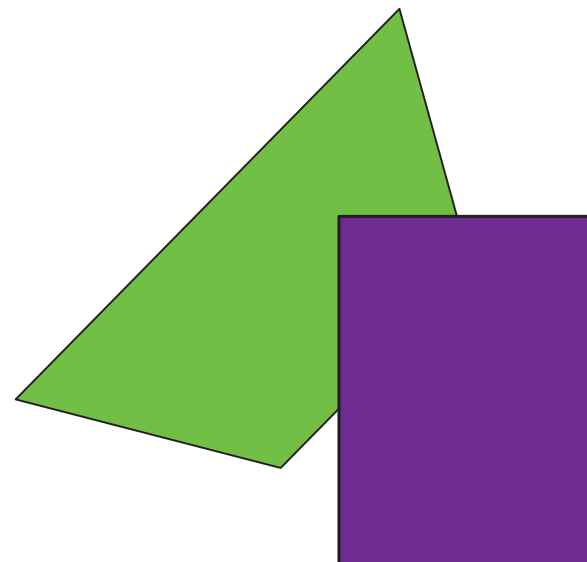

66 Teile in 13 verschiedenen Formen und 6 verschiedenen Farben
1 Spielanleitung

Anzahl und Alter der Spieler

Für 1 bis 4 Spieler, ab 24 Monate.

Pädagogisches Ziel

Mit diesen großen, handlichen, geometrischen Formen können die Spieler wunderschöne großflächige Ornamente, Muster und Figuren legen. Alle Teile sind maßgenau aufeinander abgestimmt und laden zum freien Legen, als auch zum Nachlegen unserer Vorlagen (ab Seite 4) ein. Differenziertes Sehen, Auge-Hand-Koordination und Motorik werden gefördert, als auch geometrische Formen kennengelernt.

Content

66 pieces in 13 different shapes and 6 different colours
1 instruction booklet

Number and age of the players

For 1 to 4 players from 24 months

Educational value

With these large, handy, geometric shapes, the players can place beautiful large-scale ornaments, patterns and figures. All pieces are accurately matched to each other and invite to place freely and to copy our templates (from page 4). Differentiated vision, eye-hand coordination and motor skills are promoted, as well as geometric shapes are learned.

Contenu

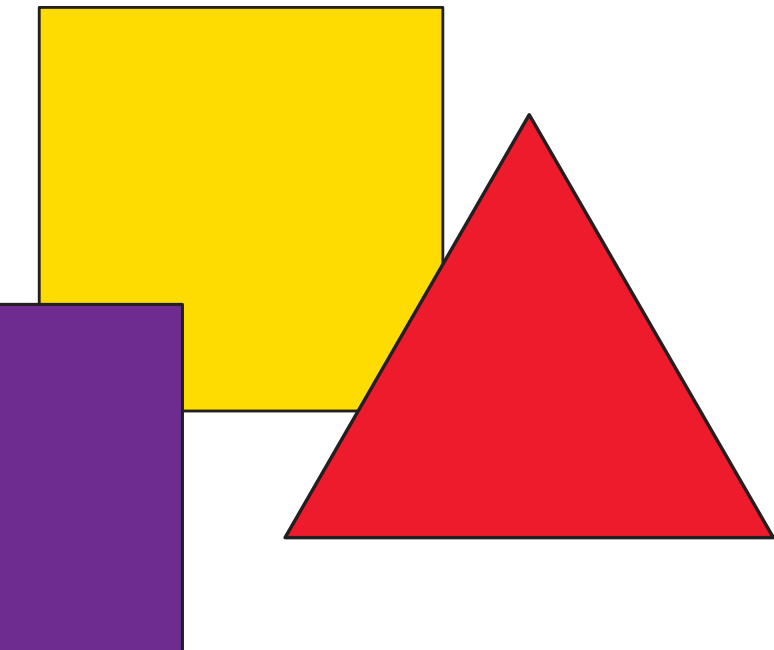

66 pièces de 13 différentes formes et de 6 différentes couleurs
1 notice

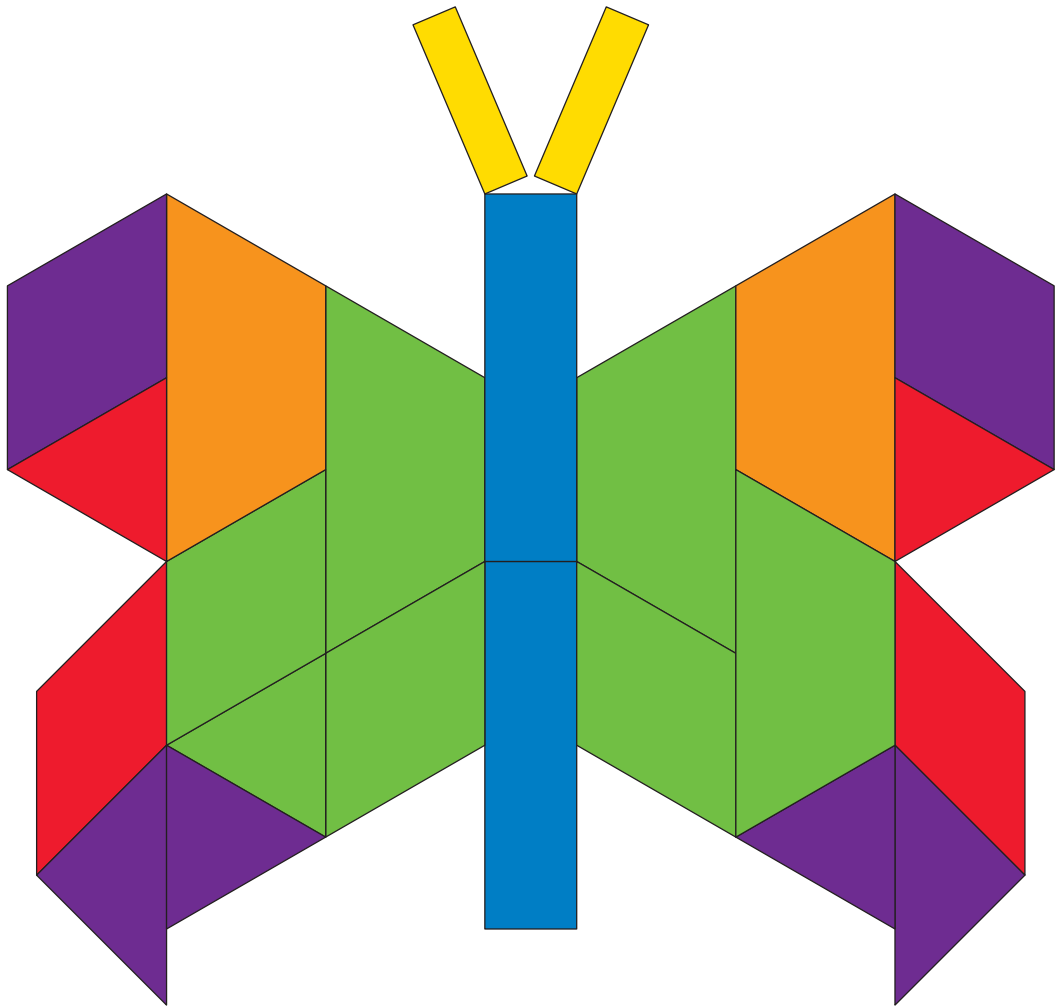

Nombre et âge des joueurs

Pour 1 à 4 joueurs à partir de 2 mois.

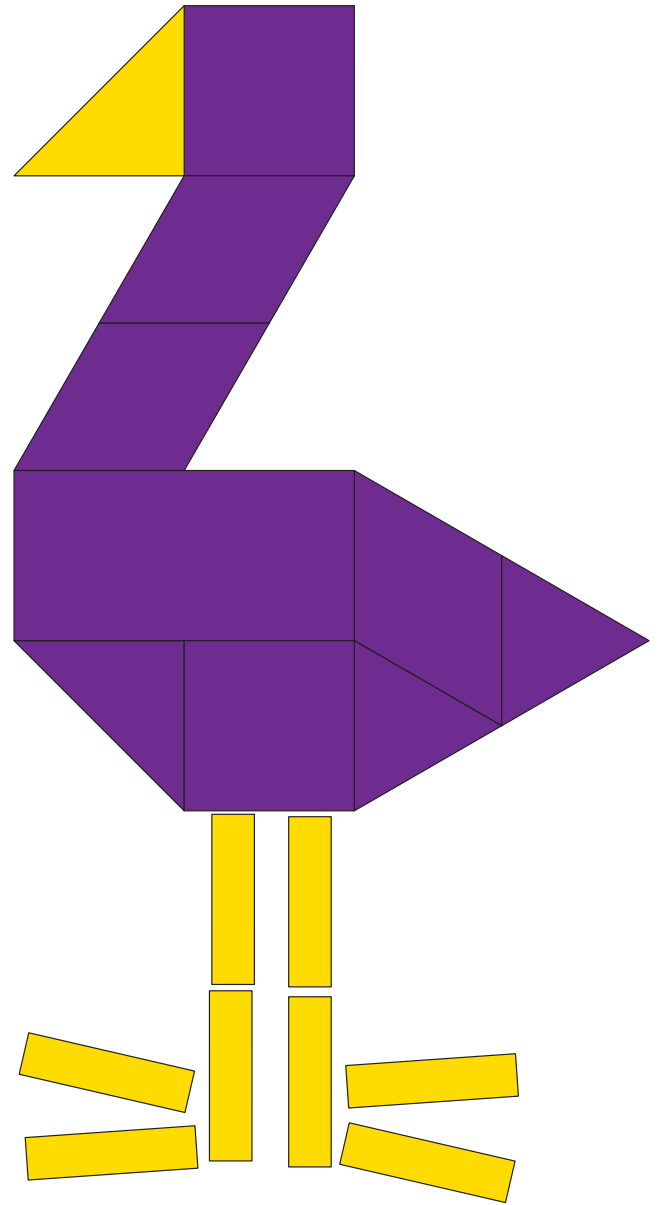

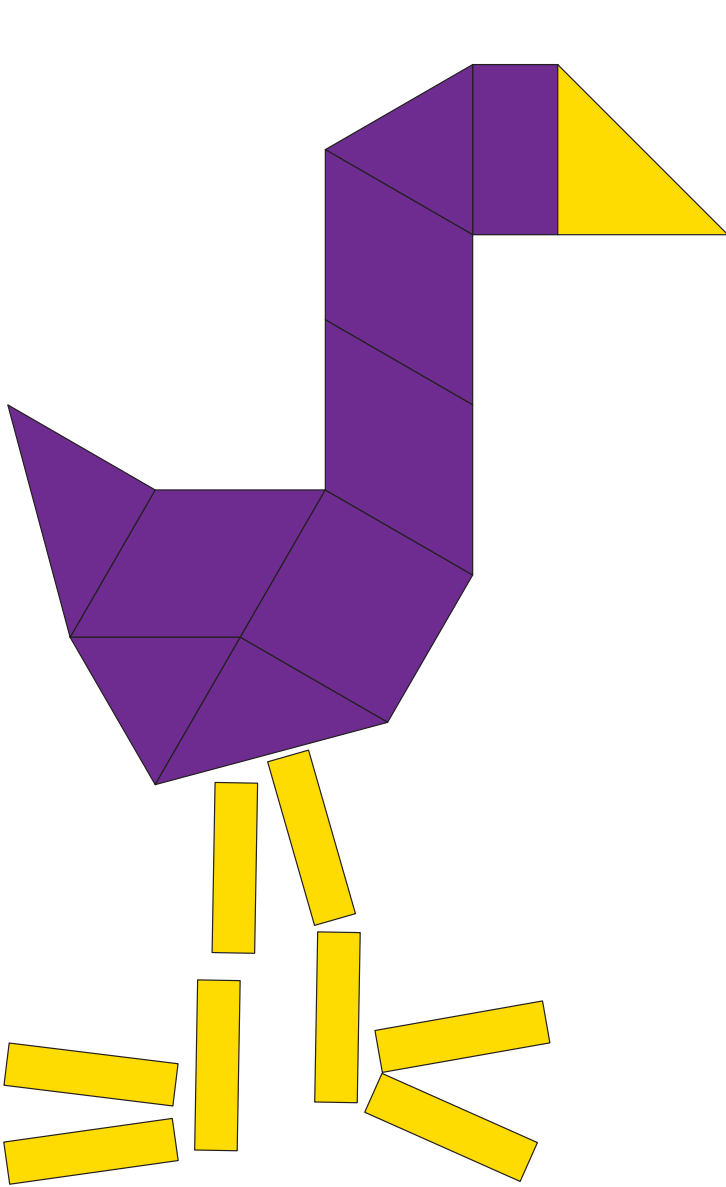

Valeur pédagogique

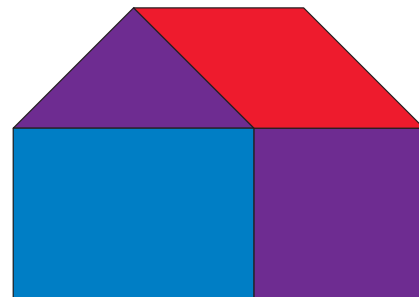

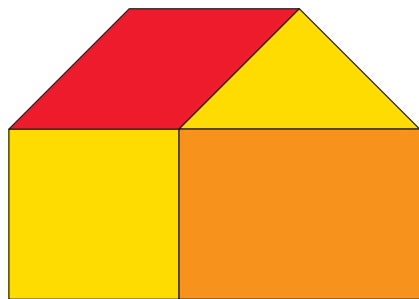

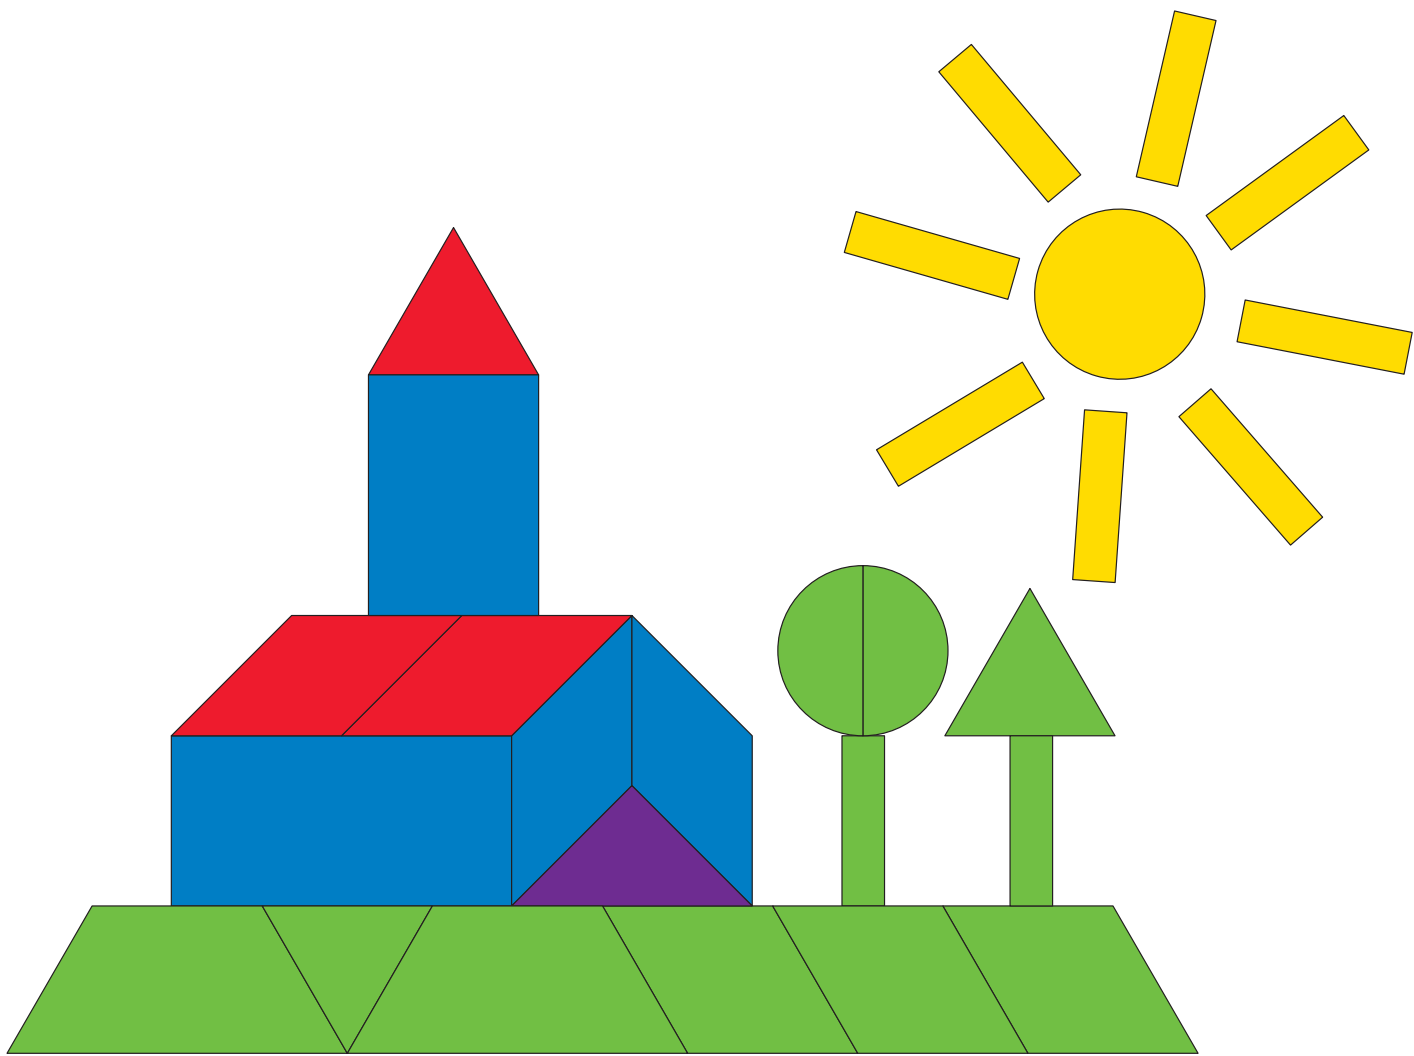

Grâce à ces grandes formes géométriques, les joueurs peuvent créer de jolis ornements et figures. Toutes les pièces se complètent et permettent aux enfants de créer leurs propres motifs, ou encore de reproduire nos modèles (à partir de la page 4). Ce jeu permet de développer la coordination oeil-main et la motricité. Par ailleurs, les enfants apprennent à connaître les différentes formes géométriques.
